Hark back to the days of Tommy Vance and the time you bought a copy of The Best Guitar Anthems in the World Ever. We will try

to restrain DJ Rob Paston from slipping into the leather gear and donning his sunglasses as he opens the Rally in his own unfathomable style and introduces you to a two hour rock party in the hands of THE AIR GUITAR BAND.

With a 1am close.

At Bunker Hill, we turn south west towards Southwick and then up on to Portsdown Hill. WAKE UP – IT'S TIME TO RIDE

SUNDAY 1st OCTOBER

There are two organised rides to choose from:

Morning Ride – Assemble at 11:00 am, Leaving at 11:30 am

Stewart Stuppell is leading the 'Ride to Fort Nelson'.

A pleasant and scenic ride, of approximately 30 miles, over the South Downs to Fort Nelson. Discover the national collection of artillery and explore 19 acres of ramparts, out fort fortifications, secret underground tunnels, and ammunition bunkers at this fully restored Victorian fort.

Discover what life was like for the Victorian garrison in the barrack rooms, hospital, and kitchens. In the home to the Royal Armouries big guns from bronze cannon to parts of the Iraq Super Gun are on display.

The ride will arrive in time for the 1 o'clock firing of the World War II 25 pounder. Admission is free and there is a cafe on site along with outstanding views across Portsmouth Harbour to the Isle of Wight.

We plan to return to the Rally site at approximately 3:30 pm.

Afternoon Ride – Assemble at 1:30 pm, Leaving at 2:00 pm

Roger De La Hunty is leading the 'Views of the South Downs' ride.

Come and join us on approximately a 60-mile ride exploring the western part of the South Downs. Heading north out of Hayling we will then head north east before sweeping round anticlockwise taking in the beautiful country side and pretty villages.

This area not only looks stunning, but has also some great riding roads that seem to be made for Harleys. The A272 is famous in this area as well as the A32, and you will be riding down both.

As we near the end of the A32 we will head up to the start of the roads leading up to Portsdown Hill, where we will stop for a break, and a drink to take in the spectacular view across Portsmouth the home of our Royal Navy. You should even be able to see the new aircraft carrier 'HMS Queen Elizabeth'.

We will return to Mill Rythe, our Rally Site at approximately 5:00pm. In plenty of time for dinner and evening entertainment.

SUNDAY NIGHT ENTERTAINMENT

7pm start with our very own Rob Paston followed by the Big Town Boppers

Sadly all good things come to an end including our rally but we can't let you go without one final knees up. We found these guys lurking in our very own New Forest with no tricks a few tracks they are a human jukebox that will take you on a musical rollercoaster and if

you were hoping for a quiet last night you are probably out of luck. What do you get, two hours of songs from the fifties to the present day to keep you on the dancefloor and end our Rally in style.
