# Hillbrush Factory

Join us for a scenic ride to the Hillbush factory that has been manufacturing brushware and cleaning equipment in Mere since 1922.

The visitor center “visit Hillbush” has a shop and a large cafe with a mini museum displaying 2 older brush making machines & various artifacts relating to the history of brush making.

Total ride distance 110 miles, with a fuel stop at 55 miles, on the outbound leg for those that need it.
